company profile

Amalgam started its business in 1992 as a pioneer in manufacturing instruments. By maintaining product quality and hard work company achieved the highest sales in early 21st century.

Amalgam International launched its operation as exporter of surgical instruments in 2007 after 15 years working for several well-known medical companies within manufacturing Sector. Its vision was to create the first dedicated surgical instrument business specializing in the manufacture of Single Use Surgical Instruments. The company began by successfully launching a range of dental and surgical instruments but then quickly moved into other specialties including, ophthalmic, electrosurgical, orthopedic, veterinary, Beauty care, Cosmetic and Plastic Surgery where today it now sells to Europe, America, Middle East and Africa regions.

Amalgam's™ core focus is upon delivering high quality surgical instruments matched with world class customer service, and through set directions the company consistently achieves these goals. Amalgam also supplies customized Instrument sets and packs and has a thriving research and development department where new, innovative devices are created.

Our Quality, R&D, Clean Room, Finance, Operations, Warehouse and Customer Service departments, all of which work in synergy to ensure you get the instruments you need, on time and in the best of condition.
